Meeting ID: **806 756 566**

Want to dial in from a phone?

Dial one of the following numbers:

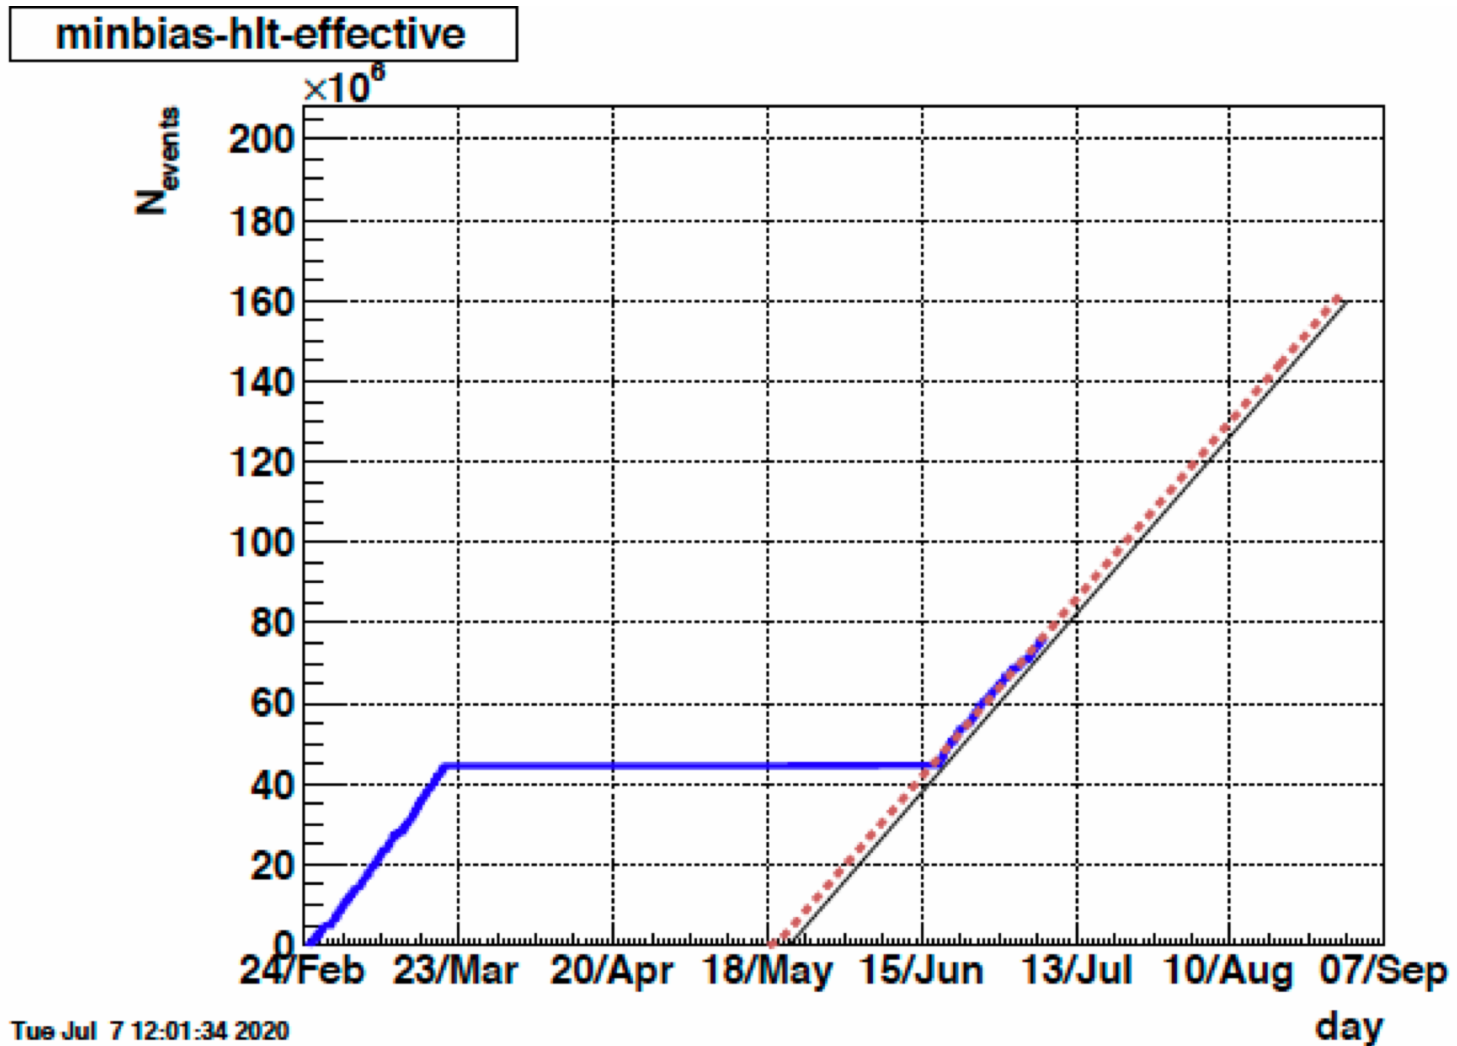

+1.408.419.1715 (United States(San Jose))

+1.408.915.6290 (United States(San Jose))

(see all numbers - <https://www.bluejeans.com/premium-numbers>)

Enter the meeting ID and passcode followed by #

Current STAR Projections

Many things, in particular weather related, can occur over the next few months which could impact the progress of the run. At this point it appears likely that the run will end sometime in early to mid September.

All Other Business (AOB)

Once we settle on the guidance with respect to site access for Users, Experts, and Contractors that we can ask the various impacted efforts/groups to use in their planning, there will be a meeting scheduled, likely on July 22nd or 23rd, to discuss the RHIC schedule from now through the winter of 2022.

Groups include:

C-AD

-General

- LEReC

- CeC

- ..?

9.2 GeV running stopped, due to COVID-19 response, on March 20th.

Re Start of 9.2 GeV Physics running on June 18th.

A Likely scenario has RHIC Run 20 ending sometime in September.
